"What to say????!! Arranging our wedding from China was difficult, however, Simone made it all easy and worked effortlessly with us from day one. George and I would like to fully send our huge THANK YOU for capturing our great day. The images are super and now we are finding it hard to choose the best one to frame. Thanks again." - Mr Ken Frost

"What a beautiful lady and a very talented photographer. Simone has provided us with perfect photo's to cherish forever. We told Simone we were not photo people and she would have to guide us through everything and she did exactly that going above and beyond. Would not recommend anyone else and we will be forever grateful" - Mrs Melissa Cooper

Natural, Candid Wedding Photography

Capturing filter-free, in-the-moment, wedding photography.

It's important for me to give my clients a true reflection of their wedding day via a true-colour photography style.

My style is natural, colourful and unobtrusive, helping you feel relaxed and comfortable on your wedding day.

Simone is an international award-winning Wedding Photographer based in Perth, Australia with over 20 years industry experience.

My couples want peace-of-mind and a professional wedding photographer who understands photographing the key moments of your wedding day means everything.
